

§ 205.6 Prohibited exclusions of coverage.

(a) No warranty or exclusion in the policy or plan or in any endorsement or amendment to the policy or plan, nor any violation of the policy or plan by the carrier, shall remove the liability coverage required by this part, except as specifically approved by the Department. This requirement shall not limit the right of insurers to recover from the carrier for amounts paid.

(b) A policy of insurance or a self-insurance plan required by this part shall not contain the following exclusions:

(1) Violation of any safety-related requirement imposed by statute or by rule of a government agency.

(2) Liability assumed by the carrier under an agreement to raise the liability limitations of the Warsaw Convention by signing a counterpart to the agreement of carriers (such as the Montreal Agreement, 18900, as approved by Board Order E-23680, May 13, 1966, agreeing to a limit on the carrier's liability for injury or death of passengers of \$75,000 per passenger), or any amendment to such agreement that may be approved by the Department and to which the carrier becomes a party.

§ 205.7 Cancellation, withdrawal, modification, expiration, or replacement of insurance coverage.

(a) Each policy of aircraft accident liability insurance and plan for self insurance shall specify that it shall remain in force, and may not be replaced, canceled, withdrawn, or in any way modified to reduce the minimum standards set forth in this part, or to change the extent of coverage, by the insurer or the carrier, nor expire by its own terms, in regard to coverage for the carrier in its common carrier operations in air transportation, until 10 days after written notice by the insurer (in the event of replacement, by the retiring insurer), or by the insurer's representative, or by the carrier, describing the change, to the Department at the addresses specified in § 205.4(c), which 10-day notice period shall start to run from the date such

notice is actually received at the Department. For purposes of this part, a policy will not be considered to have expired if the same insurer renews its coverage without reduction in the extent of coverage or amounts of coverage, and without a break in coverage, whether or not a new policy is issued, and notice to the Department is not required in that event. If the coverage being changed is by type or class of aircraft or by specific aircraft, endorsements adding or deleting specific aircraft or types or classes of aircraft, for which prior notice would be required by this paragraph, shall be filed in accordance with § 205.4(b), and prior notice of the change need not be given under this paragraph.

(b) The requirements of this section shall not apply if the policy contains a lesser time period for cancellation in a war risk exclusion. If the war risk exclusion is activated by the insurer, the insurer or its representative shall immediately notify the Department.

[Docket No. 47939, 57 FR 40100, 40101, Sept. 2, 1992, as amended at 70 FR 25768, May 16, 2005]

§ 205.8 Cargo liability disclosure statement.

Every direct U.S. or foreign air carrier providing air cargo service in air transportation shall give notice in writing to the shipper, when a shipment is accepted, of the existence or absence of cargo liability insurance, and the limits on the extent of its liability, if any. The notice shall be clearly and conspicuously included on or attached to all of its rate sheets and airwaybills.
